

North Pecos Water & Sanitation District

**CURED-IN-PLACE-PIPE PROJECT
2010 SANITARY SEWER REHABILITATION**

Request for Proposal

1. Sealed Proposals for the Cured-In-Place sewer rehabilitation will be received by the North Pecos Water & Sanitation District between May 7, 2010 thru June 8, 2010 at 10:00a.m., at which time the proposals will be publicly opened and read at the District office. Any proposal received after the above specified time will be immediately returned to the Bidder unopened.

The site of the work is in Adams County, Colorado

The work consists generally of the following approximate quantities:

4,300 combined feet of sewer rehabilitation.

2. The Contract Documents containing the detailed Drawings and Specifications for the rehabilitation work, together with the proposed Construction Contract, may be seen at the office of North Pecos Water & Sanitation District, 6900 Pecos Street, Denver, Colorado 80221.
3. Further information will be found in "Proposal Guidelines and Requirements" of the Contract Document. Each Bidder will be assumed to be familiar with all Contract Documents, including all Drawings and Specifications.
