North Pecos Water and Sanitation District, Final Reading Request for Utility Billing

Title companies must submit this form and all information for a Final or Transfer Reading Request, within two to three business days prior to the closing date, to ar@northpecoswater.org.

A $125.00 transfer fee will be applied to the final bill and is owed by the seller. The title company is responsible for notifying the seller of all and any outstanding balances and fees that will be owed at the time of closing. Note the seller should not make any payments after the final request.

Once the final payment and warranty deed are received the ownership of property will be transferred.
